Revision Controller Markup Language (RCML)

by Lenya community

Table of contents

1 Location
2 Markup Language
3 Size

1. Location

The RCML-file are located in a rcml directory

```
{publication}/content/rcml/
```

which can be configured in

```
lenya/src/webapp/lenya/config/rc/revision-controller.xconf
```

For a document with an xml file {publication}/content/authoring/{filename}, the rcml file is

```
{publication}/{rcml-directory}/content/authoring/{filename}.rcml
```

2. Markup Language

A rcml-file is typically

3. Size

The size of the rcml file is limited to the value (2 * maximalNumberOfEntries) + 1, where maximalNumberOfEntries is in org.apache.lenya.cms.rc.RCML hard coded (value 10)
