Writing Unit Tests

by Andreas Hartmann

1. Introduction

Recommended resources

- [JUnit homepage](#)
- [JUnit Cookbook](#) (Eric Gamma, Kent Beck)
- [JUnit: A Cook's Tour](#) (Eric Gamma, Kent Beck)
- [JUnitTest Infected: Programmers Love Writing Tests](#)

2. Organization

1. Put your test classes in `src/test`.
2. Add the ant task that executes your test to `src/targets/test-build.xml`

3.
