Developer instructions

Documentation is available for various versions:

- [2.0.x](../docs/2_0_x/index.html) (../docs/2_0_x/index.html) - the trunk version of Lenya

- [1.2.x](../docs/1_2_x/index.html) (../docs/1_2_x/index.html) - the stable version of Lenya

Besides above documentation you can find as well different instructions to common development topics here, like how to write tests, our coding guidelines and how to update our website.
